NOTICES
OF
TOWN AND
DISTRICT

Local News.

Prince Patterson is at present out at his farm near Kyle.

Henry Necks is erecting a residence on Donald Avenue.

Mr and Mrs Joe Rees, of Vancouver, have arrived here for the summer.

Howard Hopburn and family have moved to Calgary, where they expect to reside.

Miss Hopkins, of Calgary, spent the week-end in town visiting her sister, Katherine, who is suffering from an attack of pneumonia.

Mrs Johnston is having her residence in the west end of Alameda Avenue, painted. The improvement is great.

An important meeting of Ponoka Agricultural Society directors will be held in the secretary's office (Revelstoke Sawmill office) on Saturday, April 21, at 2.30.

James Baker, of the Bank of Montreal staff, has been moved to Lethbridge. During his stay here Mr Baker made many friends who, while regretting his departure, will extend congratulations on his advancement and wish him the best of luck.

John Giblyn and family left on Thursday for Spokane, Washington, where they will reside for a time. They expect to move down to California, and will not return to Alberta for about two years.

St. Mary's Social Club held a very successful dance in the Empress Theatre on Wednesday evening, the 11th. There was a fine attendance, and the drawings amounted to about \$1.50.

Constable Jones has had charge of a staff of painters who have been devoting their talents to the decoration of the interior of the town hall. A visit to the building gives evidence that the job done is nothing more or less than magnificent.

The frost is getting out of the ground, and already several of our streets are showing a tendency to heave. This heaving process is expensive, a goodly sum being spent every year in trying to overcome the trouble. Only one cure; drainage.

This week we carry an advertisement asking for farms for 25 Scottish families who are to arrive in the province within the next 30 days, and who will locate somewhere between Red Deer and Edmonton.

Prairie fires are making their appearance, and it might be well to sound a warning note. Sunday afternoon there was a considerable fire just east of town, and it was only by hard work by willing workers that farm property was saved.

All vegetation is so dry that when once a fire gets a hold there is no telling what might happen. Be careful!

Military and military supplies at Horseshoe Bazaar.

Eighty in the shade on Monday. Some heat for the month of April.

Mrs W. Jacobus, of Camrose, is spending a few days with Mrs Annie Wing.

Miss F. E. Lohr, of Inuvial, is spending a few days with her sister, Mrs F. E. Drummond.

W. J. Goodwin and family have moved to Monitor, where Mr Goodwin takes charge of the Edmonton City Dairy.

Hans Christensen is busy putting the finishing touches to his residence on Donald Avenue. He is busy at the present time with the paint brush.

The regular monthly meeting of the Women's Missionary Society of the Union Church will be held in the church parlors Friday afternoon at 2 p.m. A hearty welcome for all.

Our farmers are all busy in the fields, plowing, seeding, etc. The soil is early and conditions are good, but so is the weather.

The first of May will soon be here, and before that date our town should make a better showing in the way of cleanliness. Everybody should get busy and clean up, and so keep up our town's enviable reputation.

The provincial health officers have been round and only two or three parties were brought before the magistrat for having unwholesome meat on their premises. Next it will be for untidy premises and back yards. Get busy.

Geo. Frank Lane, who has been on the local staff of the Bank of Commerce for the past year, has been transferred to the Oils branch, and left for his new appointment last week. Frank is a favorite in our community, and the girls especially will miss his cheery smile and wholehearted generosity. He is leaving our midst under a trade veil. Incidentally, Frank is coming back in a few days for his car.

Robert Moffat, piano tuner, is in town, and ready to receive orders. He is well-known as an experienced workman, and no doubt piano owners will welcome his services.

Leave orders at the Furniture Store or Herald office.

A tea and sale of home-made cooking will be held in Thorne's confectionery room on Saturday, April 28, from 4 to 6 p.m. Proceeds in behalf of Ponoka Troop, Boy Scout band.

Dance at Empress on Friday, April 20. Everybody invited.

Here's a real treat—a real all-comedy dance, featuring Oren Moore. This special picture will be shown at the Empress on Saturday, April 21, at the regular price of 15c and 25c.

To Rent—Two Rooms with Board. Apply, Herald Office, or Phone 43.

General Election Will Be Held In Ontario Latter Part Of June

Toronto—Measures providing for redistribution, proportional representation, and the single transferable vote, will be put through the Legislature before dissolution, and a general election will be held in Ontario in the latter part of June, Premier J. C. Brannan announced in the Legislature today.

The three bills were introduced by the Premier and given first reading.

Speaking of the events which occurred in the Legislature, the Premier said they came as a great shock to him personally.

"I was unable to make the announcements that I am ready to make," the Premier said. "The situation cleared when a vote of confidence in the Government was passed. I believe the Government has the confidence of the House and the country. I think the electors of this province should be consulted before we decide."

ECONOMIC LOSS TO WORLD RESULTS FROM FRENCH OCCUPATION OF RUHR

Paris.—The economic straits attending on the reparations commission and keeping looks on the east to Germany and Belgium on the other, of the occupation of the Ruhr. Complicated studies are being made on the direct and indirect losses to the economic belt and to their neighbors.

The French experts are clearly terrified in Germany's rash suit for her programme of passive resistance. There are deep fears in Germany that the French will, under several main headings, such as the average monthly output of 1,000,000 tons of coal at from 25 to 35 marks a ton, or roughly, 500,000,000 gold marks. This average is struck upon the actual limitations of the prospective requirements of Germany. These calculations satisfy the French that the German Government is spending in actual cash abroad, and in her reduced income of foreign exchange.

Money, sufficient to have met the reparations commission under German agreement of 6,000,000 gold marks monthly. The conclusion is that Germany will have to make up the balance by showing the same rate of making payments as in reeling where that system has been put into effect, and the committee would have to decide.

The Premier thought redistribution necessary. The material was available for a redistribution committee, which could get to work immediately. The proportional representation bill, he said, did not specify where that system was to be put into effect, and the committee would have to decide.

Sacred Church Symbols Burned By Russians

Young Communists' Campaign Against Easter Spreads Over Country

Moscow.—The bells of Easter week continued to ring in the churches while the streets were filled with the sight of the young communists' campaign against Easter. From many widely scattered points, the young communists of various districts, towns, and villages, were marching to the churches, carrying banners, and singing songs.

The churches were being burned down, and the symbols of the church were being destroyed. The young communists were burning down the churches, and the symbols of the church were being destroyed.

One From McGill and One From McDonald College

Moscow.—The Canadian Professor, Benjamin Long, Dean of Faculty at McGill University, has accepted the appointment of Dean of the Graduate School of Arts and Literature, and professor of the University Press and professor of Latin at the University of Chicago.

Dr. M. A. Jull, in charge in the Department of Juris at McDonald College, has been appointed as a professor of the Faculty of Arts and Sciences at the University of Chicago.

Progressive Candidates Elected

Money Law Sank.—After one of the most strenuous political campaigns in the history of this part of the country, P. H. Hopkins, Progressive candidate, defeated Hon. W. H. Brannan, Liberal incumbent, by 1,291 votes, with 28 out of 35 seats to be held from.

Mr. Hopkins' election is considered, but his majority will be cut down somewhat by the returns from the 25 or so polls in the district along the United States border.

Edmonton Fat Show

Ponoka Breeders Won Honors

Ponoka district was represented in a number of classes at the Edmonton show, held last week. The Bulletin report is interesting, and from which the following is taken:—In the Percheron classes while not as strong numerically as has generally been the case here, brought out some good animals. W. H. Stretch, Ponoka, captured first and second in two year olds on Kingsdale, a neat thick grey, and Professor, a shy black, respectively.

In the aged in full mare class first place went to Anna Living, a black mare with breeding ability written all over her, owned by W. H. Stretch. Mr. Stretch took most of the other prizes for mares and fillies, getting first in a yearling class, first and second in the year olds on Jeanette and Jessie, and first on Lorraine for the best yearling. His mare, Jeanette, was afterwards made champion, with Jeanette as reserve. The reserve stallion championship went to Stretch on Kingsdale.

Mr. Stretch's mare, Jeanette, won 4th place in open class of 15, all breeds, while Jeanette and Jessie took 4th place in open class, purebred or grade, all breeds, as team shown in harness, in a class of 11. His mare, Jeanette, was 1st and champion in her class at Edmonton exhibition in 1922, and the horse, Kingsdale, was first as a yearling at Regina in 1922 in a class of 5.

EDMONTON ALBERTA

The Ford Has Passed Them All

IN ten years the Ford Car has passed the street car, the horse and buggy and the locomotive as a means of transportation.

The Ford has given the public transportation which combines all the advantages which other methods offer with none of their disadvantages.

It is giving the railroads real competition in fast cross-country transportation. It has ousted the street car in ready convenience and low mileage costs.

It has pushed the horse and buggy completely into the discard in low-first cost and low maintenance costs.

The number of people who buy Ford cars will set the price of Ford cars.
